

**Sunrise Lakes Utilities
Appletree Resource Group, Inc. (Management)
Sunrise Lakes Section 9 Water- Sewer Association**

Meeting Notice & Information

October 2018

We have scheduled our next Section 9 Water & Sewer Association meeting for Saturday, October 20, 2018 at 2:00 PM at the SLPOA Administration office (upper level).

Enclosed you will find the February meeting minutes and the October 20, 2018 meeting agenda.

Specific discussion will be conducted on the following:

- Project scope (to date)
- Project timing
- PennVest (loan) submission
- M&S Septic payment (s)
- On-going testing, planning module submissions

***Please note that M&S Septic has been continuing to store and hauling wastewater on a weekly basis with minimal payment. Therefore, we will discuss methods of improving payment performance through the spring of 2019. Considerations will be a mid-term rate fee (payable by 12/31/18), billing the \$4,000 approved assessment, and or temporary use of bank loan with repayment over the next six (6) months.

We look forward to your attendance.

Thank you,

Appletree Resource Group, Inc.
Manager
